Dear Cousin:

In reviewing my records, I found that I have written you more than three months ago requesting information about your family for inclusion in Volume III of The Merwin Family in North America, our genealogy.

It is possible that you have replied and I misfiled your letter since filing is not one of my strong points. If you have answered, please tell me so. If not, may I hear from you? Your answer will be much appreciated and ensure your being in the book.

Sincerely yours,

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Best regards,

to Ballygowan, Ballynure, a townland bordering Castletown.

Efforts to trace William Buchanan's line beyond his parents were frustrated by the lack of existing church and land records. Available records were searched by a competent genealogist with no concrete result. There is a record of a John Buchanan, an adult, living in Castletown in 1775. There is a good possibility that he could have been the father of John (1787-1878). John Buchanan (1787-1878) named his first son John. This would confirm that John (1787-1878)'s father's name was John since Irish custom was to name one's first son after the child's paternal grandfather. Following is a summary of William Buchanan's progenitors and his immediate family.

John Buchanan William Wilson m. 1784 Mary Machonghie

The Buchanans were Ulster Scottish Presbyterians. The family monument stands in the church graveyard of the 2nd Ballyeaston Presbyterian Church in Ballynure, County Antrim.
The seat of the Buchanans, Ballynure, is the name of a parish situated in the barony of Lower Belfast, County Antrim, some six miles northwest of the town of Carrickfergus. In 1831, the parish .FO

contained 3,549 inhabitants of which 415 resided in Ballynure Village. The parish comprises 8,540 3/4 acres of generally fine agricultural land. Within the parish lie the townlands of Castletown and Ballygowan where branches of the Buchanan family resided. These townlands share a common boundary with each other Ballygowan lying on the northern side of Castletown. The townland of Bryantang, where Elizabeth Wilson (wife of John Buchanan) lived until her marriage, lies on the southern boundary of Castletown about one mile from Ballygowan.

Here are the parents of William Buchanan. On the left is his father, John Buchanan (1787- 1878). On the right, his mother, Betty Wilson Buchanan (1791-1886).

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

Best regards,

The birthplace of William Buchanan, as shown on the next page, was typical of the Irish farmhouse of the nineteenth century. It is made of stone, two stories, and one end is the house and the other end is the barn. Chickens are generally housed on the second floor and cattle and horses are stabled on the first floor. The average farm was about four acres. Most of the farms were rented from large landholders. The author, Merwyn Buchanan, and his wife, Betty, visited cousins in Northern Ireland in 1960 and stayed with the Crawford and Mary Magill family and his mother, Mary Louisa Magill (our main correspondent over the years), in the farmhouse across the road from the original Buchanan homestead. At the time of our visit, a Buchanan descendant was occupying the homestead. William Buchanan was born and raised in the farmhouse depicted here. Merwyn and Betty Buchanan

also visited the 2nd Ballyeaston Presbyterian Church where William attended Sunday School and church.

In front of the church, are two Monkey Puzzle trees. They are like an evergreen with needles so close set and sharp that it would even puzzle a monkey as to how one might climb the tree. These were planted by Robert Buchanan (1831-1923) a brother to William Buchanan.

Dear Cousin:

Enclosed is the rough draft of your family entry for the supplement we are writing to The Merwin Family in North America. Your mother gave me the information.

May I have the answers to these questions:

1) When & where (city & state) was Mary Light born?

2) What are her parents' full names (including her mother's maiden name)?

These answer are important to Tammy and her descendants - some day.

3) is Jayje Jean's maiden name or that of a previous husband. If the latter, please give me his full name.

I'd also like a brief biography of you — schools, degrees, occupation, employer, church, military or civic service.

Best regards,

Merwyn

Dear Cousin:

As you know, I have been working for the better part of two years to research, correspond and prepare the manuscript of Descendants of James D & Margaret (Humes) Witter. I am happy to say the work is now finished.

Since I contributed my labor and paid all expenses up to this point, I feel that my cousins who wish to have a copy or copies of the book should bear the cost of having the book printed. The first quotation I received from a printer indicates that the cost per book (on the least expensive basis) would be nearly $25.00 per book.

It was my hope that the cost could be kept down to no more than $15.00 per book because I felt that price would be affordable to each family. Since I believe a few people would be willing to help reduce the price so that everyone would be able to have it, I am writing to you and a few others to ask for help. Would you be willing to contribute a minimum of $100.00? You, of course, would receive a copy for your contribution. To make the price per copy $15.00, We need contibutions totaling $1000.

I assure you that you will be pleased with the genealogy. It contains seventeen photographs and spans seven generations of our relations.

Please let me hear from you at your earliest convenience. Once the order is placed, it will take two to three months for the book to be printed. Hopefully it will be distributed by early Fall.

Best regards,

Dear Cousin:

Enclosed is a draft of your family entry for the supplement we are writing to The Merwin Family in North America. Your mother gave me the information.

Please answer these questions:

1) On what date was your husband born?
2) Where " " " " (city & state)
3) " were your children born (city & state)

I'd also like a brief biography of you and your husband (schools, degrees, occupations, employers, military, church or civic service).

Would you please, also, tell me where (city & state) your parents were married?

Best regards,

Merwyn

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Dear Cousin:

As you know, I have been working for the better part of two years to research, correspond and prepare the manuscript of Descendants of James D & Margaret (Humes) Witter. I am happy to say the work is now finished.

Since I contributed my labor and paid all expenses up to this point, I feel that my cousins who wish to have a copy or copies of the book should bear the cost of having the book printed. The first quotation I received from a printer indicates that the cost per book (on the least expensive basis) would be nearly $25.00 per book.

It was my hope that the cost could be kept down to no more than $15.00 per book because I felt that price would be affordable to each family. Since I believe a few people would be willing to help reduce the price so that everyone would be able to have it, I am writing to you and a few others to ask for help. Would you be willing to contribute a minimum of $100.00? You, of course, would receive a copy for your contribution. To make the price per copy $15.00, We need contibutions totaling $1000.

I assure you that you will be pleased with the genealogy. It contains

Dear Cousins:

Welcome to the Miles Merwin Association!

Enclosed is the latest issue of Milestones, the members name and address list and the Association booklet. Hope you enjoy your membership in the Association.

I usually enclose a Merwin family record sheet when writing to welcome new members to the Association. However, I find that you are shown on page 663 of THE MERWIN FAMILY IN NORTH ANERICA so you are identified as descendants of Miles (1) Merwin. I would appreciated, however, if you would review your entry in the book and give me any additions or corrections which may be necessary.

Also enclosed is a form to be used in ordering any of our publications including the LINEAGE LOCATOR.

Dear Cousin:

Enclosed is a draft of your family entry for the supplement we are writing to The Merwin Family in North America. Your mother supplied the information. Please give me the answers to these questions:

2) where " " " " " (city + state)
3) " were you and Leorin married (city + state)
4) " was Leorin born (city + state).
5) " " Julie born – (city + state).

If you would like to include a brief biography of yourself, I would be pleased to include it.

Would you also write me a short biography of your Dad? Where he worked, what he did, civic, military or church service.

Your help will be much appreciated.

Best regards,

Mr. & Mrs. James C. Merwin

Dear Folks:

Had a nice letter from your sister, Kay. She expressed a feeling that you were uncertain about the reason for my letter dated 19 August 1988.

We are in the process of writing Volume III of The Merwin Family in North America. This volume is designed to update the information in Volumes I & II. In Volume III, the eleventh generation will be completely rewritten as will the twelfth generation.

On page 675 of Volume II, you will find your family entry. I would like to add a brief biography of both of you since the entry in Vol. II does not say where you went to school, what sort of work you do, or anything to give people some idea of your lives. If you do not care to furnish such infomation, I will rewrite your entry in Vol. III as it now is in Vol. II.

In addition to rewriting your entry, we would like to have the address of any of your children who are now married so that we may write them for information about their families to put in an entry in the twelfth generation chapter of Volume III. If none of your children are now married, no entry is required.

I hope this clears up our motives and explains what my request is all about. If I do not receive a reply from you by the end of April, I shall understand you are satisfied to have your family entry copied into Vol. III as it was in Vol. II.

Sincerely,

Merwyn R. Buchanan
Genealogist

P.S. You need not become a member of our Association to have your entry in Volume III.

Dear Cousin:

In reviewing my records, I found that I have written you more than three months ago requesting information about your family for inclusion in Volume III of The Merwin Family in North America, our genealogy.

It is possible that you have replied and I misfiled your letter since filing is not one of my strong points. If you have answered, please tell me so. If not, may I hear from you? Your answer will be much appreciated and ensure your being in the book.

Sincerely yours,

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Best regards,

Merwyn R. Buchanan

CHAPTER 1

THE FIRST GENERATION

1. James D (1) Witter b. 1816/1817; bap. 15 Mar 1819 in Ballyboetemple parish, Welchtown, County Donegal, Ireland; d. 18 Jun 1895 of Peritortus in Darby, Delaware County, PA. [1]. He was reinterred 12 Dec 1895 at Mt. Zion Cem. aged 79 years. About 1836/37, he married in Ireland, Margaret Humes, the dau. of John Humes of Welchtown, County Donegal, Ireland. She was born about 1811 in Ireland; d. 31 Jul 1895 in Darby, Delaware County, PA, of Paralysis and reinterred at Mt Zion Cem., Springfield Road, Collingdale, Delaware County, PA, on 12 Dec 1895 [2]. Their death certificates do not state their initial place of burial.

Family tradition is that James D and Margaret (Humes) Witter were married in Ireland (presumably in Donegal), traveled to Dublin, and immediately took ship for America. William James Witter told his son, Edgar Curtis Witter, that they were married in Ireland and danced the "Campbells are Coming" on the boat on their way to America.

James D Witter was six foot two inches tall, of fair complexion and had light hair and blue eyes [3]. He hired out as a farm laborer upon his arrival in Darby. At least, the U.S. Census of 1860 [4] for Leipersville, (Darby Township), Delaware County, PA, lists his occupation as a farm laborer and there is no record of his purchasing land in Delaware County.

On 27 Nov 1846, J D enlisted at Philadelphia for five years service in the U.S. Army. He served first in Battery E, 2nd Regiment, U.S. Artillery, and later in Battery A, 2nd Regiment, U.S. Artillery. This was the time of the Mexican War. He saw action during the battle of Molino del Rey in 1847 and was wounded. The nature and extent of his injuries were not recorded in his service records. On 26 Nov 1851, he was discharged in the grade of private at Fort Monroe, VA.

About ten years later, on 24 Aug 1861, J D responded again to the call to arms. This time it was to take part in the Civil War. He enlisted for three years in Company I, 106th Regiment, Pennsylvania Volunteers. On 1 May 1862 at the headquarters of the regiment at Yorktown, VA, JD was promoted to sergeant retroactive to the date of his enlistment. His promotion document [5] was signed by R.G. Morehead, Colonel, Commanding, and F.M. Lleis, adjutant of the regiment.

The Battle of Antietam (or Sharpsburg) on 17 Sep 1862, climaxed the first of Confederate Gen. Robert E. Lee's two attempts to carry the war into the North. About 40,000 Southerners were pitted against the 87,000-man Federal Army of the Potomac under Gen. George B. McClellan. And when the fighting ended, the course of the American Civil War had been greatly altered.

More men were killed or wounded at Antietam on 17 Sep 1862, than

Dear Cousin:

Thank you for the family information ~~you~~ your grandfather recently sent me. There are one or two remaining problems as indicated by the checkmark below: (see enclosure)

(✗) Missing bit of information:

1) where (city + state) were you married?
2) Thomas' father's full name
3) " mother's full name
4) " place + date of birth
5) What type of mining does Thomas do? coal, gold silver?

( ) A short biography is needed. Include schools attended, degrees earned, occupation, military service, civic or church service, etc. (Give full name and location of schools; indicate date(s) of graduation, military service; grades or ranks held; names of companies where employed).

(✗) We urge~~d~~ your membership in our association ~~in an earlier letter~~. Have you sent in your dues? Yes, you will be in the supplement whether you join us or not because you were born a Merwin, but we hope you will give us your support. (Annual dues are $2.00 payable to Miles Merwin Assn.).

Sincerely,

Merwyn

Dear Cousin:

Enclosed is your Merwin Family record as we now have it. Will you please give us any needed correction or addition? We are updating family entries to prepare for the publication of Volume III of The Merwin Family in North America.

Since you were born with the surname Merwin, you will be in Volume III without question. However, we need your support to complete this massive task. Won't you send me a check for $10 payable to Miles Merwin Assn. to cover your annual dues? It will be appreciated.

Thank you.

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Best regards,

Merwyn R. Buchanan

Your family record sheets were well done. I just have a few questions.

1) Where was Harry Arent born (city + state).
2) " " David Brady Merwin born?
3) Do you know the full date of your parents' marriage and where (city + state) they were married?
4) Where in North Dakota was your mother born?

May I have Phillip's and Althea's addresses? I need to write them for a few details. Your assistance is much appreciated.

Best regards,

Merwyn

government. The battle also gave President Abraham Lincoln the opportunity to issue the Emancipation Proclamation, which, on 1 Ja 1863, declared free all slaves in States still in rebellion against United ztates. Now the war had a dual purpose: to preserve the Union and end slavery. The battlefield is located in Maryland, north and east o Sharpsburg, along MD routes 34 and 65.

JD was wounded in action at the Battle of Antietam 17 Sep 1862. A field surgeon removed a musket ball from his left thigh. After nine days, h was moved from the field hospital at the rear of the battlefield to a church at Frederick, MD. Two days later he was transferred to Carver Hospital, Washington, DC. After two months in the hospital, he was furloughed home for thirty days.
Apparently, he failed to report back to the hospital at the expirat of his leave because, on 7 Dec 1862, the records state he deserted from Carver Hospital. In May 1863, he was "taken up from desertion, absent sick, in Pa." On 1 Jul 1863, J D was transferred to 1st Company, 2nd Battalion, Invalid Corps at Alexandria, VA. He apparently continued to suffer from intermittent fever and his wound until June 1864 On 10 Sep 1864, he was mustered out of service at Philadelphia with his old outfit, Company I, 106th Regiment, Pennsylvania Volunteers.

J D's failure to return to Carver Hospital at the expiration of hi furlough was termed "desertion" on his record. However, this was apparently not considered extremely serious since he was not demoted, he was honorably discharged and he later received a pension.

We do not know the date of his marriage to Margaret. It must have been in the year 1836 or 1837 since their first child, Mary, was born in Darb Township, Delaware County, PA, on 28 Feb 1838. J.D. was apparently twenty years old and Margaret Humes was about six years his senior at the time of their marriage.

James D and Margaret (Humes) Witter had eight children, all of whom were b. in Darby Township, Delaware County, PA [6]:

2. Mary (2) Witter b. 28 Feb 1838; d. 12 Mar 1838 in Darby

"My After Glow"

I'd like the memory of me
To be a happy one.
I'd like to leave an "After Glow"
Of smiles when the day is done.

I'd like to leave an echo
Whispering softly down the ways,
Of happy times, and laughing times
and bright and sunny days.

I'd like the tears of those who weep
To dry before the sun.
Of happy memories I leave behind,
When the day is done!

Dear Cousin Mary:

Thank you for you letter of April 24th.

I am returning the postcard about Merwins Across America. This and several others of the same type are, in my opinion, frauds. They purport to be genealogies (without calling them that), but are in fact a listing of Merwin's names and addresses taken from phone books across the nation. And many of the addresses are incorrect because people have moved since the book was published. In Pennsylvania, the publisher of one of these books was sued for fraud.

You do have a great family. I hope you will contact your children and impress upon them the need to answer my recent correspondence to them asking for an update to their family entries for Volume III. I wrote them in early March. It is important to me to have ever one of your grandchildren and great grandchildren included.

Of course you may continue your membership in our Association. You married a Merwin and mothered Merwin children. We are pleased to have you.

I remember you because you have been helpful to me in the past and I am looking forward to your help on Volume III.

Best regards,

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Best regards,

‘Unframed Originals’ memories flow freely

~~Robert~~

UNFRAMED ORIGINALS, by W. S. Merwin (Atheneum; 236 pp., $14.95)

~~[illegible]~~

“**ONCE I IMAGINED,** with no way of saying it, that my parents, and everyone of their age, kept somewhere among them the whole of the past. They possessed it, and could converse with it at first hand. They were people who existed in another room, which I could not be shown because I was too young. My elders did not talk to me about all this, but they referred to it among themselves. It would belong to me in due course, and sooner if I behaved.”

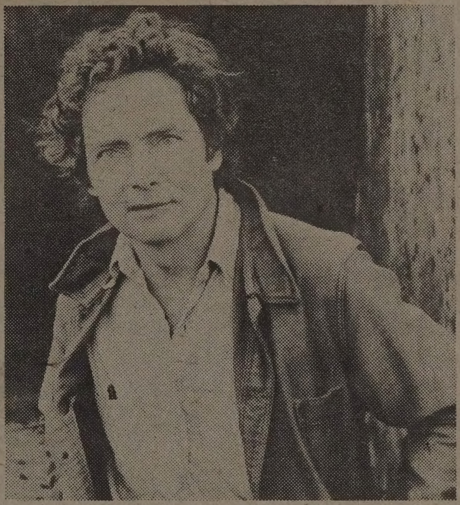
So writes W. S. Merwin in “Unframed Originals,” a collection of memories.

In no certain order, Merwin recalls past events and family members that made an impact upon his life. Through the eyes of a child in the first half of the book, and then through the eyes of an adult in the latter half, Merwin reminisces about his parents, aunts, uncles and grandparents.

Like the mind, the book flows freely, with few restrictions, following the gentle rambling of a senile woman or the wide-eyed observations of a child.

A Pulitzer Prize-winning poet, Merwin’s magic with words is evident. His descriptions are especially vivid: I offer these two examples as evidence, the first a description of his family preparing in the early morning hours for a trip, and the second a description of simple iron pillars:

“The hinges of the back area-way door squeaked behind us. The street car wires hummed above the avenue. The garage doors grated open. The Buick started up, waking huge echoes, and the taillights moved toward us with the smoke rising around them. My mother spoke to us, and we answered, in whispers, and we climbed in onto the stiff velvet upholstery with its own dusty night smell. In the light of the street lamp its inky blue looked black.”



W. S. Merwin

And: “The basement ceiling was supported by iron pillars, which I found mysterious and admirable. Just like that they held up the whole thing, with no sign of strain. I would lay my hand on them to touch that utter ability. They were always cool, and if I set my ears against them I could hear that they rang. However quiet or far away it was, that note was always there. The iron pillars were a people to themselves.”

Such writing, simple, complete, almost poignant—speaks for itself and is typical of Merwin’s work.

Like good poetry, this book is to be read, and then read again.

Dear Cousin:

In reviewing my records, I found that I have written you more than three months ago requesting information about your family for inclusion in Volume III of The Merwin Family in North America, our genealogy.

It is possible that you have replied and I misfiled your letter since filing is not one of my strong points. If you have answered, please tell me so. If not, may I hear from you? Your answer will be much appreciated and ensure your being in the book.

Sincerely yours,

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

Enclosed is the draft of your family entry for the supplement we are writing to the Merwin Family in North America. Please give me any needed correction.

I also need a brief biography of you and your wife - schools attended, degrees, civic + church service, occupations, etc.

One other thing. A Mrs. Eber C. Chase of Dowagiac, Mich. is shown as a person who gave information on your family for MFNA. Do you know her present address or the address of anyone in her family?

Thank you for your help. I have written to your children for data about them.

Sincerely,

Merwyn

I think I reported this before, but I will again.

I regretfully report the death of my aunt, Estella Elizabeth Merwin Hakli (4604-08) who died 24 May 1993 in Willoughby, Lake County, Ohio. Burial was 27 May 1993 at Perry Cemetery, Perry, Lake County, Ohio. She was the daughter of Ray Charles and Stella Mae (Cobb) Merwin.

FGS and Obituary notice enclosed. I do not know what publication the obit is from or when it was printed. It is an extra so it need not be returned.

I will attend the Merwin reunion in Williamsburg as it is "right next door" and am looking forward to meeting everyone.

MR CHARLES PRENTICE
PO BOX 66
CARSON VA 23830-0066

Dear Cousin Charles:

Many thanks for the newspaper clipping on the death of Jane Merwin in Florida.

I found that she was the wife of one Roy Layton Merwin who now lives in Sun City, AZ. He had not given me notice of her passing. I suspect that he and his wife were separated since she lived in Florida and he lives in Arizona. Of course that is none of my business. At any rate, I was most pleased to get the article. It will be included in the next *Milestones*.

While researching the above in my files, I pulled your file and noticed in it a paper written by Elnathan Merwin in 1853 which paper was in the hands of Estelle Merwin Hakli. You had a note that the paper was found in the first Merwin genealogy. When I received it, the paper got filed carefully away and forgotten. Finding it today was great. You see I have been corresponding with a genealogist in Canada who has been helping me piece together some data about Elnathan's large family. Several of his children removed from Vermont to Canada. For this reason, help was needed from Canadian records. This paper you gave me, together with my Canadian correspondent's help has provided all needed information about the Elnathan Merwin family. It did not help with the son Simon, but then I had previously tracked him and his descendants to California. (See p. 91, 92 of Volume I MFNA for this family).

I want you to know I appreciate your help in both these matters.

Living in Carson, you are apparently just a short hop from Williamsburg, VA. I certainly hope to see you at the reunion in June. Would like very much to get acquainted.

Best regards,

Merwyn R. Buchanan

Dear Cousin Merwyn,

Well I heard from my Uncle Rayman and it appears I have let his skeleton out of his closet.

It appears that Joyce Ann Merwin is not his daughter. It appears that Anna was having an affair while Rayman was in England during WWII. He acknowledges the marriage to Anna Anthony and the divorce and that is all. I guess at the time it was a very hush hush family scandal, enough so that I did not know about it, but now he has made the affair public.

Please adjust His paragraph to remove Joyce Ann. He will not furnish me any dates for the Anthony Marriage. He says he has written to England for more information concerning Constance Martin, his second wife.

He sent me your query so I am forwarding it.

Sincerely

Charlie.

I don't know of any names or dates on this sheet from the Miles Merwin Assn. Inc.

two young men made this trip on foot several times. In 1805 Isaac married fifteen-year-old Polly Adams, Origen's sister, and came to Nelson to establish their home on land located about a quarter of a mile north of Asahel's. Isaac traveled the distance between New England and Nelson thirty-three times, either on foot or with a span of horses and a loaded wagon. A few of Isaac's descendents live in Nelson now.

Was Indian Fighter

Delaun Mills had an extremely adventurous life. He was a powerful man and absolutely fearless. He was an intrepid Indian fighter and had many encounters with them. The Ledges, in the upper part of Nelson, afforded an excellent shelter for the red-skins, and a few wigwams could always be seen under them. Delaun escaped from one Indian by placing his hat on his gun-stock so the Indian could see it. The Indian shot and ran toward him with his tomahawk in his hand. Delaun stepped from his hiding place and shot him. One day in spring, Sophia, Delaun's wife, was riding horseback to their sugar-camp, near the Mill Dam Falls, south of the Center, when an Indian leaped behind her, rode for a ways, then disappeared into the forest.

Of necessity Delaun kept a tavern where travelers could eat and sleep. He was located on the path from Youngstown to Cleveland and many travelers passed through. (This is now State Route 305.) A stage-coach road also passed through Nelson in the southern part of the township. Much of Delaun's trouble with the Indians resulted from the fact that he traded liquor with them for furs.

The Indians were no longer seen in Nelson after the War of 1812. During this war Delaun Mills became a militia captain and fought in the Battle of Mackinaw under Col. Croghan.

Captain Mills died in 1824, having never fully recovered from being bitten by a rattlesnake. Nelson was infested with rattlesnakes, as many as two hundred having been killed in a single day. He was buried in the cemetery west of the Center, but his tombstone does not indicate that he was the first settler in Nelson.

In addition to the three brothers already mentioned, other settlers who came to Nelson were: 1803—Stephen Baldwin; Benjamin Stow and his two sons, Daniel and Caleb; John Bancroft with four sons, Rudolphus, John, Artemus, and David (who later married Marilla Mills, Asahel's daughter); Daniel Owen (who, when he broke his arm in two places, walked to Warren for medical care and back the same day); the two Stiles brothers, William and Thomas Kennedy; and Asa Truesdale. In 1804—Col. John Garrett, who built the first mill, located in Garrettsville; Johann Noah and Abraham Dyson. In 1805—John Tinker and Nathaniel Bancroft, who were sons-in-law of Benjamin and Daniel Stow; Martin Manley; and Ezekiel Wood. In 1806 — Deacon Ezekiel Mills, who died two years later, and wife. In 1809—their son Oliver Mills, a school teacher; Charles May; the Rudolphs; and Rev. William West, a Baptist minister. In 1810—Charles Johnson and three sons, Erasmus, Alanson, and Charles, Jr.

PRESBYTERIANS ARRIVE

In 1811 and 1812 a large company, mostly Presbyterians, came from Connecticut: Deacon Joshua B. Sherwood and Wells Clark, who were unfriendly because of a dispute concerning the sale of some cattle in Connecticut; Birdsey Clark; Theron Colton; David Beardsley; Titus Bonney; Hezekiah Bonney; John Hannah; David Goodsell; and several members of the Hopkins family. Emigration then almost entirely ceased until the end of the War of 1812. In 1815—Hezekiah Higley; Benjamin Pritchard; Robert C. Bennett; Sylvanus Hewlett; Elisha Taylor, Sr.; and David Stow. From 1815 to 1820—Jeremiah Fuller and two sons; Charles Whiting; Charles Hewlett; Marcus and David Morris; Thomas Barber; Thomas Perry; Benjamin Brown; Harry Spencer; Jacob and Ashbel Haskins, Jr.; Jared W. Knowlton; Ira Fuller; the Merwins, Tuttons, Merritts, Pritchards, and Taylors.

There are only a few fourth-generation descendents of these early settlers living in Nelson in 1955: Nellie Mills Randall, a great-granddaughter of Isaac Mills; Elsie Burke Cartwright, a great-granddaughter of Alanson Johnson; Alice Fuller Chapman, a great-granddaughter of Jeremiah Fuller; George Bancroft, a great-grandson of John Bancroft; H. C. Newcomb and Seymour Newcomb, great-grandsons of Theron Colton. Nearly a hundred residents belong to families which have lived in Nelson more than a hundred years.

Many church denominations held services in Nelson from 1803 to 1825. Among these were: Baptist, Bethseda Baptist (which was organized by John Rudolph, who had come from Maryland in 1809), Pedo-Baptist, Presbyterian, Congregational, Methodist, and Universalists. The first Methodist sermon was given by Asahel Mills in 1801. The first sermon for the Congregationalists was given by the famous Rev. Joseph Badger in the spring of 1804. The deacons of this church were kept busy settling disputes according to the "Tell It To The Church" discipline, taken from Matthew 18; 15-17, which states: "Moreover if thy brother shall trespass against thee, go and tell him his fault between thee and him alone: if he shall hear thee, thou hast gained thy brother. But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established. But if he shall neglect to hear them, tell it to the church; but if he neglect to hear the church, let him be unto thee as a heathen man and a publican." The church meetings were held in the homes or else in the log school building.

WHISKEY PAYS PASTOR

The Congregational Church was organized in 1813 and the building was erected in 1825. The church records of that period read: "Future generations will be astonished to learn that a barrel of whiskey was consumed in putting up the frame. About this time the pastor gave an order to a church member on a distiller for 29 or 30 gallons of whiskey. This was for grain

ENUMERATION OF YOUTH AND PARTIAL CENSUS FOR SCHOOL DISTRICTS

INTRODUCTION

The following lists were copied from the original statements of the Clerks of the school districts in Portage County. They represent a partial census of the parents and youth taken in an enumeration of the youth in the various school districts in a particular township. "Youth" will be defined here as young white unmarried men and women between the ages of 4 and 20 years (or sometimes 21).

The enumeration seemingly was not made every year. Lists are only available for 1832, 1833, 1834, 1836 and 1838. In later years the form used provided numbers of persons, but did not give names of parents or youth, which means that names of residents were largely limited to the period 1832 to 1838.

Fortunately in 1838 a nearly complete census of youth and parents was made for Akron, which at that time was in Portage County. This is featured on the title page. In the years before 1838 the names of parents were given, along with the number of youth in the household, but the names of the youth were seldom given. The year 1838 was the best year for names of residents;- however, not every township was canvassed.

Until 1840 Portage County included not only the present townships, but also the following 10 townships which are now in Summit County:

Boston
Coventry
Hudson
Northampton
Northfield
Portage (with Akron)
Springfield
Stow
Tallmadge
Twinsburg

Another special feature is that some of the youth in Braceville Township were enumerated along with Windham Township, even though Braceville is part of Trumbull County.

I wish to acknowledge with many thanks the help and guidance I received from Dr. Robert J. Dodge, Ohio Historical Society Archivist at the American History Research Center of the KSU Library.

For other (paperback) copies of this book you may send, by check or money order, $1.00 ea. for postage and handling to the American History Research Center, Kent State University Library, Kent, Ohio 44242.

Dear Cousin Merwyn,

Happy to be aboard. I kind of inherited the job as family historian when my father became ill in 1989. He was not much interested in the Merwins. We did not discover the connection in the Merwin line until about 6 months ago. Uncle Rayman insisted the connection was there but would do little to help prove it.

Our Prentice pedigree is rather detailed and I like to think impressive. We have connections back 25 generations to circa 1150. The Merwin pedigree adds much to our family history. Every line that we have persued has taken us to England.

I came across references to the Merwin Association in the Genealogical Helper. It was not until the connection was made that I decided to join. Mostly because my branch was not published in any of the associations' books.

I am sorry to say that most of the Merwin information I have is "family tradition" and as I uncover primary sources, I shall forward them.

Sincerely,

Charlie.

Dear Cousin:

Your nephew, Charles Prentice of Carson, VA, has given us information about the descendants of Morley/Mosley Merwin a descendant of Miles Merwin (1623-1697). This data includes information about you and your family. Enclosed is a draft of the family entries as we now have them.

Our organization has identified thousands of descendants of Miles [1] through the fourteenth generation and published our findings in three volume entitled The Merwin Family in North America. The latest volume was published in 1990. We are a going organization of more than 500 members and our main mission is to locate Merwin descendants and bring their family records down to the present.

We were delighted when Charles gave us data on Morley, Mosely [7] Merwin and his descendants since this filled in a gap in our records.

Perhaps you would be good enough to fill in any of the high-lighted blanks which you can on the enclosed entry draft? There is no obligation to join our Association or buy anything. My job is to identify Merwin descendants and record their family records.

I am enclosing a dues notice which you may use to join our Association if you so choose. We would, of course be pleased to have you. You would receive our newsletter several times a year, an address list of members and a booklet describing the activities of the Association among other publications.

Dear Cousin Merwyn,

Just a short note in reply to your question about the birthplace of Mosley Merwin. Page 178 and 179 of The Merwin Family in North America, 1978, is where one of the clues is.

Another is in the 1860 Federal Census for Portage County, Moseley gives his birth place as NY, His brother Leland P. is also listed in the same Census and gives his birthplace as NY. Thomas, another brother, is listed in the 1850 Census giving his birth place as NY.

We had not planned to attend the reunion, I would have liked to meet you all also.

Sincerely

Dear Mr. Prentice:

Many thanks for your letter dated 28 May and the corrections and additions to your family entry.

Where did you get the statement the Morley Merwin was born in New York? His family originated in Connecticut and moved to Ohio. None of Morley's brothers or sisters were born in New York to my knowledge. Have you checked the 1900 or 1910 US census records. They would show the state of his birth according to his testimony at the time.

Charles Merwin's (the president of our Association) and my Merwin ancestors migrated from Western Connecticut to Braceville, Trumbull County, OH in the early 1800s. Accordingly, your family, Charles' and mine were from the same vicinity.

I appreciate receiving the addresses of your relatives. I shall contact them for information.

It would be great if you could bring your family to the reunion on June 8th. I would enjoy meeting you.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

I was very pleased to receive your letter of April 11 and learn about another member of the Miles Merwin family.

You obviously have researched your line back to our immigrant andestor, and since I do not see your name in the index of our recently-issued third volume of The Merwin Family in North America, your information will fill one of the gaps in our record.

I am sending your letter to our genealogist whose address is shown above. He will send you the necessary membership material. In the meantime, I am enclosing herewith a copy of the latest issue ofoour Association newsletter, Milestones for February 1991.

Thank you for writing,

Clm,

ear Cousin Merwyn,

ran a quick copy of my stuff for you to peruse. I think I have encluded
verything I have, but if you see a hole, tell me.

nfortunately, most of my data is family tradition, however I do have a few
eferences. I am awaiting, impatiently, VOL III of the MERWIN books, I hope to
ill some blanks then.

have a really cranky uncle who is very proud of the MERWIN name but will not
et it show. He KNEW we were related to Miles, and nothing could make him
elieve otherwise. He has not written since I sent him the connection. His, of
ourse, is the most incomplete of the family groups.

f you see any glaring errors in my data, PLEASE, pull my chain!!!

Sincerely

P.S. Sent my dues to the treasurer yesterday.

Dear Cousin:

Welcome to the Miles Merwin Association! We hope you will enjoy your membership. Enclosed are the Association booklet, the October 1988 Members Address List, the latest Milestones and an order form for the Association's publications.

Also enclosed is a draft of your family entry beginning with Morley/Mosely Merwin who appears on p. 178 of Volume I of The Merwin Family in North America. As time permits, I shall review material you sent me on his antecedents with the view to improving the content of our records on your line prior to Morley/Mosely.

On your family entry, you will note some blanks which I would appreciate you completing if you can. Sometimes we overlook some details which are apparent to ourselves, but are not familiar to the reader.

By the Association rules, it is necessary to have your daughter, Vandy, become a member of the Association in order to show Daniel in our publications. For now , I will leave him on our records. The rule will only become a problem when we publish Volume IV of MFNA.

I shall write your Aunt Estella, and your sister , Betty, to invite them to become members of the Association. I would also like to write your brother and uncle and see if I could get them to complete their entries. May I have their addresses?

You have excellent genealogical reocrds. I wish you had gotten in touch with us before Volume II was published so we could have included you and yours. How did you hear of our Association?

We have record now of six of Jesse Merwin's thirteen children now that we have a line on Morely/Mosely. I am still searching for information about the following children:

Amanda Merwin mar. Edwin Easton
Sarah Ann Merwin mar. George Fox Noah
Lydia Merwin - npo further record

who is ?

Charles G. Wolford

An investigation is being made by the coroner's office into the mysterious death of an 83-year old man who spent the last four days of his life in three rest homes, city jail and St. Joseph's Hospital, Warren, where he died at 10:45 last Sunday morning. Death came to the elderly pensioner, Charles G. Wolford, Ravenna Road, after he had been admitted to the hospital. He was unconscious early Friday morning.

Dr. Michael E. Cristo, county coroner, said an X-ray revealed that Wolford somehow had suffered a fractured skull, and this caused his death.

Mr. Wolford was born April 4, 1868, in Farmington, and had lived in Newton Falls for 50 years. He was a member of the Methodist Church of Farmington and the Moose Lodge in Ravenna.

He is survived by four daughters. Mrs. V. T. Hunt, Ravenna; Mrs. Pearl Green, Newton Falls; Mrs. C. H. Sweeney and Mrs. W. O. Moody, Warren; a son, Leon Wolford, Niles; a sister, Mrs. Grace Preston, Warren, and two brothers, Bert of Garrettsville, and Harry, Warren. Also surviving are 15 grandchildren, 19 great-grandchildren and 7 great-great-grandchildren.

The body was taken to the James Funeral Home where services will be held at 1:30 Wednesday afternoon, with burial in Crown Hill Cemetery. Friends may call at the funeral home from 7 to 9 Tuesday night.

Dear Cousin:

In reviewing my records, I found that I have written you more than three months ago requesting information about your family for inclusion in Volume III of The Merwin Family in North America, our genealogy.

It is possible that you have replied and I misfiled your letter since filing is not one of my strong points. If you have answered, please tell me so. If not, may I hear from you? Your answer will be much appreciated and ensure your being in the book.

Sincerely yours,

Merwyn R. Buchanan

Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children have married since this entry was made in the genealogy, please give me their current address so I may write them.

Best regards,

Merwyn R. Buchanan

Dear Cousin:

Enclosed is a draft of an entry we intend to make for your family in the supplement to the Merwin Family in North America. This data was supplied by your mother. It seems complete to me except we need a brief biography of you and your wife – schools, occupations, interests, etc.

I would also urge you to become a member of our association. The dues are only $2.00 per year (check payable to Miles Merwin Assn.). Your generation must support the organization if it is to continue and grow in its work of serving Merwins.

Sincerely,

Merwyn

Dear Mr. Merwin:

In yesterday's mail, I received the enclosed envelope. It was sealed, but there was nothing in it.

This is obviously one of the self-addressed, return envelopes I send whenever I write asking for family information for Volume III of The Merwin Family in North America.

Please return your family entry which I sent you. If it has strayed, just tell me the names of your parents so that I may locate your entry and send you a copy for your updating.

Dear Cousins:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please fill out the enclosed Merwin family record sheet and give me a brief biography of you and Thomas as suggested below.

Since you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If there is no reply to this letter by September 15th, I shall assume you are not interested and omit your entry from Volume II.

Best regards,

Merwyn

Dear Cousins:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please fill out the enclosed Merwin family record sheet and give me a brief biography of you and Thomas as suggested below.

Since you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If there is no reply to this letter by September 15th, I shall assume you are not interested and omit your entry from Volume II.

Best regards,

Merwyn
